ABOUT US

Robson Publishing, a division of Robson Communities Inc., has been producing community newspapers for over 47 years. These papers are the official community voice that informs residents about community events, feature stories, clubs, sports and religious news, as well as local area happenings.

The tabloid-size publications are distributed free-of-charge to every homeowner and property owner in their respective communities. They are mailed to out-of-state residents and to those who are currently building in these communities and will be moving into the area in the near future. Without question, these newspapers are the most cost effective way of reaching the affluent, mature and responsive markets of these active adult communities. By advertising in one of the Robson Communities' publications, your company will be able to target 100% of this affluent 55+ market.

THE BENEFITS OF TARGETED MARKETING

Each community newspaper serves as the official voice of the community. The editorial content is written by and for the benefit of the residents. This is their information source, and their lifeline to the community at large. Because the editorial content is so highly relevant, these publications have a long shelf life. With the combination of both the printed and online edition, your advertising message will consistently reach our readers. Few publications can boast 100% saturation of any one particular market segment.

DIGITAL EDITION

All print editions of our newspapers are also available online. The digital edition is available for free and contains all articles, photos and advertisements seen in the printed version. Additionally, our advertisers are provided a FREE link to their business websites and are listed online on our directory of advertisers.

With the combination of both printed and digital editions, your advertising message will consistently reach our readers and 100% of your targeted market!

SOURCE BOOK™

HOMEOWNER DIRECTORY, RESOURCE GUIDES & BUSINESS DIRECTORY

The *Source Book* is the official, up-to-date and accurate telephone directory, resource guide and local business directory published yearly, for the residents of their respective communities. More than a telephone directory, the *Source Book* is the most complete source of information about the community and surrounding areas ever compiled. It's the one book residents turn to on a daily basis.

Currently, the *Source Book* is published for Sun Lakes, SunBird, PebbleCreek, SaddleBrooke, SaddleBrooke Ranch, Quail Creek, Robson Ranch Arizona and Robson Ranch Texas. For added exposure, the *Source Books* are now available online. For publication dates, current rates and multiple discount options, please call (800) 470-0893 or (480) 895-4506 or visit our website at www.robsonpublishing.com
